Final Exam and Grading:

Final Exam counts for 100% of your final grade.

Final Exam consists of three parts:

- 1) Multiple Choice: the prerequisite for the exam to be graded is to answer correctly to at least 40% (incorrect answers get negative score) of multiple choice questions;
- 2) Problems;
- 3) An essay question.

Assignments:

There are several assignments already posted online at the course website.

Some of the assignments will be solved and discussed in class.

Students do not have to hand in the assignments, but are strongly encouraged to work (also together) on all the assignments.
