

Programme of Research Chairs in Economics

Instituto Universitario de Economía, Universidad Carlos III de Madrid

Scientific Committee

The Scientific Advisory Board (SAB) of the *Unit of Excellence* Departamento de Economía of the Universidad Carlos III de Madrid, constituted to fulfil the mandate of the María de Maeztu (MdM) Program, is established as the Scientific Committee of the Programme of Research Chairs in Economics and “will have the final decision on the Department’s proposals of new research chair appointments, as well as on the renewals of research chair appointments”.

The SAB will also provide an assessment of the bi-annual Self-Evaluation Reports submitted by the Unit to the Spanish Ministry, and will make recommendations for how to best accomplish the Unit’s objectives described in its application to the MdM program.
